

Burrendah Primary School Students' Online Permission Form

Dear Parents and Care Givers,

At Burrendah Primary School we provide access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Western Australian Curriculum. For the school to continue to use these services we are now required to seek your approval for your child to be given access to these online services.

Please click on the link below and complete the consent form as soon as possible to enable student participation in online learning.
