PERSONAL ITEMS LIST 2023

Dear Parents

The 2023 'Back-to-School' lists are now being distributed via Connect to parents.

Why delay, go online today, visit— <https://www.campion.com.au/parents/> **Please note the closing date for online orders is Monday 28th November 2022. Online orders after this will incur a 'late fee'.**

By using the school 'Back-to-School List' program you are helping raise funds for your school community as the school receives a rebate for all orders placed.

In 2023 all Personal Items Lists (book lists) have a 500ml bottle of hand sanitiser on it to supply. The Department of Education requires chemicals at school to have a safety data sheet (SDS) and comply with current rules and regulation of supply.
