From the Principal's Desk

As we look towards a much needed rest my staff and I would like to take this opportunity to thank the parent community for their ongoing support and interest in our school.

At the end of 2017 our school is in a very good position to look to the future with great anticipation and expectation. Thank you for your gifts, letters, card and emails of encouragement and support that have been generously given to my staff and to me personally. These messages mean a great deal to us and we thank you for taking the time out of your busy lives to acknowledge the work of the school.

May I remind you of the reason why our class lists are not made public until the first day of school. Over recent years we have had a large numbers of enrolments in the days leading up to the first school day. Depending on the number of enrolments, the school may need to change class structure to accommodate these enrolments. As of today these will be the classes and teachers for 2018, however please be aware these may change.

I would personally like to acknowledge my staff and thank them for their tireless commitment to their roles. I hope you enjoy a happy and safe summer holiday shared with your children. Happy Christmas!
