From the Principal's Desk

Welcome to all of our new families and welcome back to our existing families. Students have settled in well to their new classroom routines. I would like to thank the staff of Burrendah who have worked hard to ensure their rooms were welcoming to students and parents while juggling rooms being painted, furniture being delivered and our school wide clean-up of storerooms/sheds and cupboards. We anticipate Room 26's new furniture and Room 27's new blinds to be delivered in the next few weeks. The front office has had a face lift which will be completed when cupboards are installed in the coming weeks. As we have increased in enrolments we have moved some areas. EALD is now in Room 20. The art room is now in the old EALD room next to Room 2 and Room 27 (ex art room) is a Year 4 classroom. As you can see from the table below there are a number of new teachers who have joined our Burrendah staff; Mrs Stone, Ms Downing, Ms Earnshaw, Miss McClung, Mr Egan and Ms Turvey.

The next two weeks will be busy with swimming lessons for Year 1–Year 6 students. See overleaf for scheduled times of swimming lessons. Unfortunately due to the increased size of our school we have been unable to include Pre-Primary into the two week swimming schedule. Thank you to the 90% of families who have paid for swimming lessons already. Forms were picked up today by the Riverton Leisureplex. If you are yet to complete your child's swimming forms/medical please return these forms to school on Monday, the first day of swimming lessons. Please label your child's belongings so they are easy to identify eg swimming goggles, towel, school clothes etc

Thankyou also to the large number of families who have already paid their voluntary contributions. Cash and EFTPOS facilities are available at Reception for school payments.

Parent Information meetings will be held in coming weeks. Please see over for a schedule of these meetings. Where you are unable to attend these meetings please contact your child's teacher for an individual meeting during the term. Our 2018 Parent Book is on our website. Please have a look at this document for general parent information.

Principal
2nd February 2018

Parent meetings commence next week. These information sessions will give you the opportunity to meet your child's teacher as well as hear expectations for the classroom and learning program. If you wish for a detailed conversation please book an additional time to meet with your child's teacher. Meetings will be held in your child's classroom.
