

Rational:

The Burrendah Primary School Board and community support a strict dress code, and there is an expectation that students will wear the school uniform, including a uniform hat. We believe that the wearing of a school uniform does much to establish a positive tone within our school, and encourages a sense of pride in Burrendah Primary School when groups are visiting other venues.

Policy:

- Only approved uniform items may be worn at school other than designated special occasions.
- Children attending school excursions and activities are expected to wear full school uniform.
- A hat is required outdoors at all times.
- All footwear must be secured on the feet. Sandals, shoes and socks, and joggers are acceptable. Other types of footwear can be dangerous and are not appropriate for school activities.
- Long hair is to be tied back for safety reasons and to prevent the spread of lice.
- If a child persists in not wearing the school uniform, a letter will be sent home to the parents or guardians of that child.
- For safety reasons, the wearing of jewellery is discouraged. Theft, damage, and the risk of injury to the child or other children from earrings, rings are always a concern. Earrings should be limited to small studs or sleepers.
