BURRENDAH PRIMARY SCHOOL

BURRENDAH LAP-A-THON 2018

On Wednesday 30th May all students in Year 3, 4, 5 and 6 will be participating in a fund raising lap-a-thon on the school oval. They will have 50 minutes to run/walk the most number of laps (250 metre lap) they can achieve in the time provided. The aim is to raise money to support programs promoting fitness, health and well-being. Funds will be used to improve, maintain and extend the existing playground equipment. Please collect as many sponsors as possible before the lap-a-thon. Children are not to seek sponsors or collect money without adult supervision. Sponsors may choose to donate a total amount or an amount for each lap. The class teacher will verify the correct number of laps completed on the day and send the sponsor sheet home for collection and return of money to the school.
