

# BURRENDAH PRIMARY SCHOOL

## CONSTABLE CARE SAFETY SCHOOL Year 1 Excursion

Dear Parents and Caregivers

Our students Year 1, Room 16a and 17, will be visiting Constable Care Safety School as part of our Health and Wellbeing programme. We will be attending the safety school and learning about road safety. The children will explore real-life transport risks and practice road, pedestrian, bike and public transport safety skills in a safe and realistic environment. Students learn how to negotiate hazards they may encounter in real life, as pedestrians and cyclists, and learn to make safer choices.

The safety school teaches vital skills to keep children aged 4 – 12 years safe on the roads. Sadly, road trauma remains a leading cause of death and serious injury in Western Australian children.
