

BURRENDAH PRIMARY SCHOOL

YEAR 6

Art Workshop and Mural at Willetton Sports Precinct

Dear Parents and Carers,

This term, Year 6 students will be participating in a series of exciting workshops for a public art project involving professional mural artist Chris Nixon, and the newly developed Willetton Sports Precinct on Burrendah Boulevard. The ideas they create during the workshops will inform a large scale mural design that Chris is creating at the precinct. The students will then help to paint the mural in May of Term 2.

This is an amazing opportunity for our students to have creative input in a facility that is extensively used by our students, families and wider public. It will allow them to engage with a professional artist and to participate in and understand real world art & design processes.

Chris will be coming in to facilitate workshops with **Rooms 1, 2, 3, and 4, Friday 5th, Friday 12th, and Friday 19th of March (Weeks 5, 6, 7)**. The process of the students designing and creating artworks during the workshops may be documented and the last session may be filmed by a professional videographer.

In addition, there will be 1 - 2 Friday sessions in May where each class will walk over (supervised) to the sporting precinct to help paint the mural wall. Possibly the 7th May or the 28th May, however these dates will be confirmed and communicated with you in the coming weeks.

Please read and sign the permission slip attached and return to your classroom teacher by Wednesday 24th February 2021.

Thank you.
