

## BURRENDAH PRIMARY SCHOOL

### PROPOSED NEW CLASS STRUCTURE 2019

With significant enrolments over the last few days we will need to change the current classroom structure to accommodate our growth by adding two more classrooms. At present it is not anticipated that there will be changes to any of the Kindergarten or Pre-primary classrooms.

Parent Information Meetings for Year 1-Year 6 classes over the next fortnight have been postponed until after the restructure. Kindergarten (Room 13, 14), Pre-Primary (Room 15, 16a, 16b) and the Year 6 camp meeting will go ahead as planned (see school website for dates).

Below is our proposed 26 classroom structure. It is anticipated this restructure will take place after the Year 6 camp at the beginning of March. A new Year 3 class will commence in the School Hall and a Year 6 class will be in Room 1 (previous LOTE/SAER Room).

There will be no assembly in Week 4 when Year 6 students are on camp. Room 23 and 24 assembly will be moved from Week 4 to Week 10, Term 1.

Some split classes will become a single year level class. Two single year level classes will become split classes. This means that we will have a Year 1/ 2 split class and a Year 3 /4 split class. All other classes across the school will be one year level. Classes with significant change are in bold below.

For the majority of classes from Year 1 to Year 6 the change will be moving two or three students to another classroom. We will be planning for the proposed changes Monday 18<sup>th</sup> February, immediately following Census. If you have information you would like to have considered towards classroom placement needs of your child please put this information in writing and address it to the Principal. Alternatively you can email [Burrendah.ps.administration@education.wa.edu.au](mailto:Burrendah.ps.administration@education.wa.edu.au) This information is required by Friday 15<sup>th</sup> February.
